

Lighting a way out of homelessness

TOGETHER

Lighting a way since 1988

Founded in 1988, we provide essential and transformative support to people experiencing homelessness in Hampshire.

Our roots trace back to a traditional winter Nightshelter established by Churches Together. Since then, we have grown into a 24-hour service, open every day of the year, providing **safe accommodation, specialist support and a path out of homelessness.**

In 2021, we became **The Winchester Beacon**, changing our name from Winchester Churches Nightshelter to reflect the growth and development of our work. Today, we do more than provide a safe place to stay. We light a path out of homelessness, **offering hope and opportunities for residents to rebuild their lives.**

Our main building on Jewry Street has **10 single bedrooms, alongside 3 four-bedroom properties.** Together, these provide accommodation and support for up to **22 people at a time.** While some residents stay for a few weeks, others need support for many months. **In 2025–26, the average stay at Jewry Street was 193 days.**

We take time to understand the circumstances behind each person's homelessness, **focusing on their strengths, needs and goals.** With a safe and supportive base from which to move forward, residents can explore **housing options, develop essential life skills and work towards their aspirations.**

Our mission

To help break the cycle of homelessness by enabling people to rebuild their lives through independent living.

Our vision

To transform lives, inspire hope and end homelessness.

Our values

**Honest and open
Safe and supportive
Flexible and caring**

Welcome from our Chair of Trustees

It is with great pride that we reflect on a year of change and renewed ambition at The Winchester Beacon. In late 2025, we were delighted to welcome our new Chief Executive, Robyn Kohler, whose energy, experience and deep commitment have already begun shaping the next chapter of our charity's work.

This year has also been marked by an important milestone in our development: **the purchase of a new move-on house in 2026**. This investment strengthens our ability to **provide safe, affordable and stable accommodation** for people rebuilding their lives. It represents a bold step forward in our **long-term strategy** to expand capacity and ensure that more residents can move on into independence with confidence and support.

In March 2026, Tracy Jones, our long-serving trustee, volunteer and Chair of the Board, stepped down after many years of **extraordinary service**. Tracy's leadership, compassion and unwavering belief in our mission have shaped The Beacon in profound ways. Her legacy is woven into the culture of hope and dignity that defines our work, and we extend our **deepest gratitude** for her remarkable contribution.

We're pleased to welcome **three new trustees** who bring valuable expertise, fresh perspectives and a shared commitment to strengthening our governance and impact. Their arrival marks the beginning of a new era of Board leadership, one that builds on **strong foundations while embracing innovation and growth**.

Throughout these changes, one constant remains: **the hope we witness every day**. We see it in the courage of our residents, the dedication of our staff and volunteers and the generosity of our supporters.

Looking ahead, we remain committed to lighting a way out of homelessness for every person who turns to us. **Thank you for standing with us**, for believing in our mission and for helping us to turn hope into lasting change.

A handwritten signature in black ink, reading 'V Hemmings'.

*Vicky Hemmings
Chair of the Trustees*

A message from Robyn

Dear Supporters,

When I joined The Winchester Beacon in the autumn of 2025, I quickly saw the extraordinary impact that our supporters make possible every single day. Behind every door we open and every conversation we have is a person looking for **stability, dignity and hope**. Together, we provide more than emergency accommodation. We provide the opportunity for people to rebuild their lives.

This year has been one of growth and achievement for the charity. We continue to provide **accommodation and support** for **up to 22 people** across our Jewry Street site and move-on properties. For many residents, homelessness is only one of the challenges they face. Through **counselling, psychotherapy, housing advice, employment support, wellbeing activities** and **tenancy training**, we help people address the **wider issues** that stand in the way of a stable future.

A significant milestone has been the **purchase of a new move-on house** in Eastleigh. This was made possible through determined fundraising, the generosity of our community and the support of Oak Foundation. The property accommodates four people enabling them to take a step towards independent living while continuing to benefit from our support. It is a powerful example of what we can achieve together when we invest in **long-term solutions to homelessness**.

I am also incredibly proud of the **strength of our community**. Every week, 24 volunteers give their

time, energy and skills to support our work, helping to provide a service that **operates 24 hours a day, 365 days a year**. Last year alone, their contribution saved the charity more than £147,000. Their kindness and commitment remind us that tackling homelessness is truly a **collective effort**.

The **generosity of our supporters** continues to inspire us. Donations, grants and legacies contribute more than £552,000. Every donation, fundraising event and act of support helps us to provide **safe accommodation, specialist support and hope** for people facing some of the most difficult moments of their lives.

“homelessness can be overcome when people are given the right support, at the right time, by a community that believes in them.

Robyn, CEO

What encourages me most, however, is not the financial figures or the statistics. It is the **resilience of the people we support**. It is seeing someone move from uncertainty into a home of their own, gain employment, reconnect with family or simply begin to believe in themselves again. Those moments are at the heart of everything we do. They remind us that homelessness can be overcome when people are given the **right support, at the right time, by a community that believes in them**.

Robyn Kohler

Robyn Kohler
Chief Executive

Finding a way forward

Gemma stayed with at The Winchester Beacon from September 2025 until September 2026. She has now moved to her own accommodation and has kindly agreed to share her story.

“ I was already diagnosed with mental health issues and anxiety and then a series of events including a family bereavement made things worse. I struggled to work, my debts were building up and I couldn't manage my rent. It was a domino effect and it felt like I was in a hole that I couldn't get out of.

The Winchester Beacon was really different to how I imagined it was going to be. It was so much nicer than I expected, everyone was really friendly from the moment I arrived.

I have been given so many opportunities during my stay at The Beacon. I attended a depression and anxiety course, I've gone to counselling, had free access to the gym and taken part in music and art projects. I have also been given help with my debts and support to find housing.

Making friends wasn't something I was looking to do when I came to The Beacon but I know some of the other residents will be friends beyond our stay here. They have helped me to stay sane and stuck by me through the highs and lows.

Being at The Beacon has helped me to grow. I have been supported to come out of my shell. I can now go places and call people, something I struggled with before. I now feel tenancy ready and ready to go out into the world. Six months ago I wouldn't have been able to do what I am doing now."

How we help

Each person who comes to stay at The Winchester Beacon is facing their own personal set of circumstances. Often they feel isolated and hopeless and don't know how to get out of the situation that they are in.

We work closely with each individual to restore hope and help them to believe that there is a future beyond homelessness waiting for them. Our one-to-one support is tailored to meet the differing needs and goals of each resident because rarely is someone just coping with homelessness, usually they are facing multiple disadvantages.

Our wraparound care is delivered by experienced staff trained in supporting people affected by trauma. Our support can be life-changing as it enables residents to move towards a more stable future.

Our tailored support includes:

- Counselling
- Psychotherapy
- Budgeting advice
- Substance misuse support
- Wellbeing and coping skills
- Employment support
- Housing advice
- Tenancy training
- Ongoing support in new home
- Free fitness activities

If you have a skill or opportunity you might like to offer to support our residents, please get in touch, admin@winchesterbeacon.org.uk

Finding hope

Joseph came to stay at The Winchester Beacon when he found himself without anywhere to live after facing serious mental health struggles. Joseph has been able to access our free counselling service and is being supported to tackle the circumstances around his situation to enable him to rebuild his life and move beyond homelessness.

“When I came to stay at The Winchester Beacon I had no idea what the environment was going to be like. I was in a state of mind where everything was difficult, dark and challenging. My expectations were low. There is a stigma attached to homelessness and being out of work, and I was worried about how I was going to get through this phase in my life.

The Beacon has definitely surpassed what I thought it would be like. The staff are absolutely lovely, so kind. Sometimes I have to remind myself that this is a homeless shelter. The staff put the dignity into every resident. They put my mind at ease to the point that it is easy to forget the previous difficulties that I have had in my life simply by talking to people here.

I have found that I really enjoy the balance between privacy and sociable interaction that The Beacon gives. If I want to be on my own I can be in my room but then when I want or need company I just have to open my bedroom door and there is usually someone to talk to.

When I first came here, I was overburdened by my situation, it is easy to feel like you are useless and you have reached the end. But now I am at The Beacon, I have managed to change my perspective, I now see it as a new beginning.”

Home, growth and independence

In April 2026, we were pleased to collect the keys to a four-bedroom house which we have purchased in the Eastleigh area after significant fundraising.

The property offers the opportunity for us to accommodate four people experiencing homelessness. As with our other move-on properties, residents from our main site in central Winchester will be able to move to the house when they are ready for more independence.

When staying at our move-on houses, residents continue to benefit from the support of our staff whilst also learning to manage a tenancy, shop and cook for themselves.

This year, we also completed building works to one of our other move-on houses. The refurbishments included adding more communal living space and an additional bathroom.

“ I didn't think good things could happen for people like me, I am so grateful for all the support that I have received from The Winchester Beacon.

Tim, former resident

A life rebuilding

Jack had been struggling with addiction issues for sometime before coming to stay with us at The Winchester Beacon. He stayed at our main site before progressing to one of our move-on houses.

“ Before I came to The Beacon I had found it really hard to escape the people and situations that were causing me problems. Life kept repeating itself.

I feel safe here. The help is here, you're not another statistic, you're someone. The amount of help you get at The Beacon is brilliant.

I can get things done myself but my anxiety can make things harder. When someone is alongside me helping me understand how it works it really helps. I have had support to complete application forms for housing and get my birth certificate and passport sorted.

There are so many good things that come from here. The rules like the curfew enable residents to achieve what they need to achieve. I think the rules are good.

“ The help is here, you're not another statistic, you're someone.
Jack, resident

I'm pleased to be staying under the wing of The Beacon for a bit longer because I am going to one of the move-on houses. It's good to know that the phone is there and I can still reach out if I need help.

I think there should be a lot more Winchester Beacons to house more people, there just aren't enough Beacons to go round.”

Our finances 2025-26

Our **loyal supporters** have once again demonstrated their unwavering generosity, with donations from individuals, companies, churches, community groups, legacies, trusts and foundations accounting for **55% of our total income**.

We also received valuable funding through grants from **local authorities** and the **National Lottery Community Fund**. Their generosity enables us to continue delivering our services and making a positive difference to the people we serve.

Please note: The financial information for 2025-26 is shown in a simplified breakdown of income and expenditure. More details and the full report from the Independent Examiner are available from The Winchester Beacon office.

Total **expenditure is broadly in line with the previous year.** Administration costs increased by £18,878, primarily due to recruitment expenses and bank worker costs. This was offset by a corresponding decrease in staff costs. Fundraising costs reduced compared with the previous year as 2024-25 included one-off costs relating to the CRM system.

Our three move-on houses continued to provide accommodation for 12 residents throughout the year. We are also pleased to report that, just before the year end, in line with our **three-year strategy**, we purchased **another move-on house** to support people as they transition to independent living. Renovation works on the property were completed enabling us to welcome new residents during the summer.

The shared move-on houses are let at rents reflecting the most affordable end of the local market, offering significantly better value than comparable private rented accommodation. Rental rates increased following rent reviews, and **any surplus income generated is reinvested to support our work.**

We have generated a surplus of £138,060 (2024-25 £74,992). This will enable us to continue to support those experiencing homelessness, as well as fund any essential refurbishment works at the move-on houses. This year's surplus was made possible by the continued generosity of our loyal donors, the local authority grants we secured, and generous one-off legacies. We are **sincerely grateful** to everyone whose support has enabled us to strengthen the financial position and continue our work.

Moments that matter

Gardening heroes

TT Electronics staff volunteered to tidy the garden of our move-on house.

Welcome Robyn

In September 2025 we welcomed Robyn as CEO.

Moving forward

Cardo created and donated 'moving on' boxes full of essentials for residents.

Snow time!

Savills staff volunteered to help fundraise at the Snow Globe.

Shared table

MGroup staff gave their time to cook lunch for residents, volunteers and staff.

Singing for good

The Thomas Weelkes Singers performed at St Cross Church raising £1011 for The Winchester Beacon.

Shared belonging

Volunteers, residents and staff enjoyed festive tunes performed by a local brass band.

Good times

MOD Worthy Down raised £683 at their Pickle Night.

Gifts of hope

Staff at Cala Southern organised a Giving Tree donating items to be given as Christmas gifts for our residents.

Riding for well-being

Residents take in the views and sunshine on regular rides with Exo - Winchester Bike Hub.

Community kindness

Spare Change for Lasting Change raised £1770 for The Winchester Beacon and Trinity Winchester.

New home

We opened the front door to our new move-on house with accommodation and support for four people.

Creative time

Residents experienced The Maizels Method art classes.

New Patron

We welcomed Dean Christopher Palmer as our Patron.

Better spaces

Refurbishment works were finished to upgrade one of our move-on houses.

Community pride

We shone a light on the high rates of homelessness in the LGBTQ+ community at Winchester Pride.

Sounds

Residents worked with university music students to compose and perform a song.

Follow @winchesterbeacon on Instagram and Facebook for regular news and insights.

Giving time, creating hope

We are very lucky to have a wonderful team of volunteers who give their time, skills and energy to support our work behind the scenes. Their commitment, kindness and generosity help to keep everything running smoothly and bring a genuine sense of community to The Winchester Beacon.

We are open all day, all night and all year. Each week **24 people volunteer alongside our staff** to make this non-stop service possible. Last year alone, **our volunteers saved us over £147,000** by giving their time, and not charging, for their contribution.

Volunteer roles

Volunteers help with a **range of tasks** including **cooking, cleaning, tidying and admin**. Some volunteers choose to give a particular **skill** that they have such as art, psychotherapy or interview skills.

Regular volunteers work alongside a member of staff and choose how often to help out. After completing an induction and training, **volunteers simply log in online and book in for a shift** when they are available.

Community champions

Volunteers support our work by helping out at events across the county. They represent our charity and help to raise awareness of our vital work. This could involve speaking in schools and community groups or running a stall at an event.

“

A toss of a coin and I could so easily be on the other side of this counter. We like to think that our success in life is down to our hard work and determination but in truth so much of it is just luck. I want to help to create a stable present and a hopeful future for those staying at The Beacon.

Peter, Volunteer Evening Cook

Would you like to become a volunteer?

There is lots of information about volunteering with us on our website www.winchesterbeacon.org.uk. Here, you can express an interest in volunteering and we will send you our application form.

Volunteers on site need to be age 18 or over. For anyone under this age, there are still lots of ways to be part of our vital work. Our younger supporters often opt to fundraise.

Pictured right - Laraine from Twelve Hair Design receiving a Mayor's Award for her volunteering at The Winchester Beacon.

Community in action

We are grateful to our inspiring supporters who are so determined to find challenging and creative ways to raise funds to make our work possible.

Brothers, **William** aged 11 and **Josh** aged 9, made cakes and craft items to sell at their school and the local Makers' Market raising a fantastic £524.

Miles spent six hours a day for a whole week of his school holiday selling his toys outside his house raising a brilliant £121.

Event Management students at the **University of Winchester** hosted a Western-themed fundraiser. Whilst **Alfie**, age 8, made and sold friendship bracelets at the local summer fair.

Youth MP and **Winchester College** pupil, **Aryaveer**, not only gave his evenings to volunteer in our kitchen but he also raised £3000 through his **Pounds4Plates** initiative.

The **Steam Town Shanty Crew** entertained the crowds at venues across Hampshire with their nautical notes raising hundreds of pounds to support our work.

“ I am keen to help with homelessness because I don't like homelessness; I think it's unfair. I think that everyone should have a chance to live a happy life with a roof over their head.

Alfie, age 8, fundraiser

Have fun. Raise funds. Change lives.

Fundraising is a brilliant way to bring people together, have fun and make a real difference to people experiencing homelessness.

Whether you're selling cakes, taking on a sponsored challenge, organising a summer fete or creating something completely original - your fundraising will help to change lives.

Got an idea? We'd love to hear it!

We can help spread the word, offer advice and support, and work with you to make your fundraising a success. Email marketing@winchesterbeacon.org.uk or call 01962 862050.

Thank you

Our work is made possible by the community of people and organisations who believe that everyone deserves the chance to move beyond homelessness. Thank you to the funders and grant-making organisations that invested in our work during the 2025–26 financial year.

Gifts that transform

Every donation makes a difference. Gifts of money, food and essential items help us to provide the care, support and practical help that our residents need to rebuild their lives.

Thank you to everyone who has supported us, whether through a regular or one-off financial gift, dropping off food or harvest donations, giving Christmas presents or providing essential items such as sleeping bags. Every gift, large or small, helps to keep our doors open, our cupboards stocked and our residents supported, day and night, throughout the year.

Members of the Relief Society at **The Church of Jesus Christ of Latter-Day Saints**, made and put together gym bags for our residents full of useful items including flasks, towels and snacks.

“ I don't know where I would be without The Beacon but I know I wouldn't be here.

Resident

Threads of kindness

Through a heart-warming collaboration with **Chat-Tea Café**, members of the community are knitting and crocheting squares which are being sewn together to create handmade blankets. The blankets will be gifted to our residents when they move on to their own home. Each blanket will bring warmth to a new home, but also carry something even more precious: hours of care, kindness and a powerful message that people believe in them and want to see them succeed.

Students from the **University of Southampton** donated meals for our residents as part of their sustainable Wonky Bowl initiative (*pictured left*).

The team at **Cala Southern** took part in a Giving Tree choosing items to donate as Christmas gifts for our residents.

Winchester 11th Scouts collected donations of essential food items from their local community. Local cubs popped by with savoury home-baked treats.

Pupils at **St Swithun's School** regularly baked sweet treats for our residents during the academic year.

Staff from **Winchester Heights Care Home** popped by with 50 delicious cup cakes for our residents to mark Cakes For Kindness Day.

Ways to make a difference

Any donation that you can make will bring hope to our residents and help them to rebuild their lives. One-off or regular financial donations can be made on **our website, by text, bank transfer or by cheque**. Please turn to page 27 to find out more.

Donated food and other items help to **save in the region of £60,000** every year. Check our **most-needed items** list at **www.winchesterbeacon.org.uk**. Sadly, we have limited storage so we can often only accept the items we desperately need. Please email admin@winchesterbeacon.org.uk or complete the website form before dropping off your donation.

The power of partnership

We are incredibly grateful for the growing network of people and organisations who stand alongside The Winchester Beacon.

Businesses, churches, schools, colleges, universities, and local organisations in our community share their time, resources, skills and expertise to help our charity to support people experiencing homelessness.

Residents continue to benefit physically and mentally from access to a range of free physical activities thanks to ongoing support from **Winchester Amateur Boxing, Sport in Mind, Winchester Sport and Leisure and Exo Winchester Bike Hub.**

Wildbunch Florists hosted a wreath-making workshop for residents, volunteers and staff to create wreaths to sell and raise funds at the Winchester Cathedral Christmas Market.

Staff from **MGroup** worked together as a team to clear the entrance and path of our main building. They also volunteered their time to cook meals bringing together volunteers and residents.

Staff at **Plane Talking Products** chose to support The Winchester Beacon for a year making generous donations of much-needed items and giving their time as volunteers.

With thanks

We would like to thank the fantastic organisations that have worked with us this year in so many different ways. Sadly, there isn't space to mention everyone, more details of our fabulous supporters can be found on our website and page 19.

Our people

We are a small charity making a big difference, this is thanks to our hard-working staff, trustees and volunteers and the support of our community.

Our staff

Robyn Kohler, CEO (from Oct 2025), **Andy Beaton** (from Dec 25), **Cassie Welch** (until Dec 25) **Edward Murray**, **Emma Hatton** (from Sept 2026), **Georgina Walker**, **Hayley Wood**, **Hilary Nutbeam**, **Ian Davies**, **Kay Lyons**, **Lee Hayes**, **Mark Lee** (until April 2026), **Nancy Judge**, **Nicci Roberts**, **Nova Keating**, **Paul Brathwaite** (until Feb 26), **Renan Rosas** (until Jan 26), **Sarah Daley** (from Sept 2026).

Our Board of Trustees

We would like to thank our volunteer trustees **Vicky Hemmings** (Chair), **Julian Gerry** (Vice Chair), **Mike Dickson** (Company Secretary), **Fiona Gibbon** (Treasurer), **Sharon Collins** and **Penny Diver** for their commitment to our mission. We would also like to thank our Directors who retired from their roles during 2025-26 - **Tracy Jones**, **David Close** and **Vince Kerr**.

Our Patrons

Thanks to our Patrons, **The Very Reverend Christopher Palmer, Dean of Winchester and Baroness Thomas of Winchester**. We would also like to thank **Canon Roly Riem** for his involvement as Patron whilst in the role of Interim Dean.

Leave a legacy of hope

Your kindness today can help to light the way for someone tomorrow.

By leaving a gift in your will, you can create a **legacy of hope** and help us to continue to be there for people who need us. Your donation could be **the key to someone's future**, providing essential support and the opportunity to rebuild their life.

Your legacy can help to give:

- **Safe shelter:** You will help to provide accommodation and long-term housing solutions.
- **Vital support services:** Offering guidance, counselling and support to help people to get back on their feet.
- **Community integration:** Helping individuals re-establish themselves in the community through employment, education and social support.

A gift of any size makes a difference

No matter the size of your gift, it will go directly towards making a positive change in someone's life.

If you do decide to leave a gift to support our residents, please let us know as we would like to say thank you:

admin@winchesterbeacon.org.uk, 01962 862050.

Leaving a gift in your will is more than a donation, it is a lasting act of kindness.

Every gift lights the way

We are only able to provide our support 24 hours a day, 365 days a year to people experiencing homelessness thanks to the kindness and generosity of our supporters. Your donation could help to transform lives today.

£5

A safe place to start

Help to provide accommodation, food and immediate support.

£15

Someone to listen

Help to give 1:1 support, counselling and specialist support.

The Winchester Beacon
20B Jewry Street, Winchester, SO23 8RZ

admin@winchesterbeacon.org.uk

01962 862050

The Winchester Beacon is committed to ensuring that our work delivers genuine and lasting public benefit. Our charitable purposes and the difference we make are set out throughout this Annual Review. Our Trustees regularly review our activities, achievements and impact to ensure that everything we do is in pursuit of our charitable purposes and provides benefit to the people we exist to support.

The Winchester Beacon is the working name of Winchester Churches Nightshelter, registered charity and company limited by guarantee. Registered charity number: 1080443. Company number: 03928334. Registered address: 20B Jewry Street, Winchester SO23 8RZ.
